Building Responsible Individuals Demonstrating Godliness to Everyone

Pastor's Corder Note

August, usually a down month for our nation's Congress and for (BBC) Braddock Baptist Church too. As of today while I am sitting to write this article, congress is saying they will most likely not be able to take their break in order to get a health care bill on the table. Good for them! We too are not going to be able to use all of August as down time as this year students all over VA will be returning to school earlier.

We have had and continue to have a great impact on the International students that arrive from countries around the world, to include "closed" countries. Many of the students arrive from areas where the gospel is not shared openly under penalty of imprisonment or even death. Yet, while they are here, God is opening his arms and word to them in various ways and venues, one of which may be YOU!

I would like each of us to spend some time praying about how we can be God's hands, feet and mouth piece to these students and others that God brings into our paths. Tim and Terry Stockdale, Becky Corder, Harry and Carol Finley, Sunny and many, many more of you have helped in outstanding ways to welcome these students in the past years and I pray many more will pray about how you too can share Jesus with this group!

Of course this is not the only outreach ministry of BBC. Remember in your prayer and with any assistance you are lead to give to our wonderful ESL English Second Language program. Under the leadership of Jim Jondrow this has continued to grow from an hour on Saturdays to two additional weekday evenings. We have seen kingdom growth through both of these ministries and that is what our purpose is, as we continue Seeking God and serving Others.

Over the next couple of weeks, I pray many of you will be able to get off and enjoy some family time before your own students re-enter the school year, but even while vacationing, pray as to how you can help in the ministry here at BBC.

Blessings and Jesus loves you and so do I;

Pastor Timothy

BBC Board of Directors

Your Board members are:

- Timothy Corder, Senior Pastor
- Amy El-Naggar, Treasurer and Clerk
- Jody Dunning, (2018)
- Diane Carr (2018)
- Gary Moore (2019)
- Harry Finley (2019)
- Mitch Bennett (2020)

Gary and Harry are currently Co-Chairmen but the Board elects a Chairman annually.

As you may know, the Church operates essentially the same now as before incorporation and creation of the Board.

- All major decisions are made by vote of our Church members.
- The day to day business and affairs of the Church are conducted by Timothy our Senior Pastor
- Our Pastor relies on the BBC Board, monthly Deacon Team Meetings and quarterly Leadership meetings to communicate, advise and assist him.
- The Deacons continue to be the servants of the Church consistent with New Testament principles.
- Our Church Committees continue to operate to do the work of the Church.

Other than being a requirement of the state, just what does the board do and how does it operate?

Well, if you're really interested, you can obtain a draft of the Board's "Standard Operating Procedures" from the office that will be considered and refined by the Board during the coming months. Comments to any Board Members welcomed!

miHi youth

Hello BBC! The youth are going on our first VA Beach Retreat this month: August 17-19. This will be a great time of regroup before school starts and a good event to invite peers to join us. Remember that your teens don't get a lot of time with fellow Christians, and this is a great opportunity to be surrounded by leaders and peers who love the Lord! I will get details to youth and parents, but for now: SAVE THOSE DATES!

Blessings, **Cristina Riojas** rio@BraddockBaptistChurch.org

From The Associate Pastor

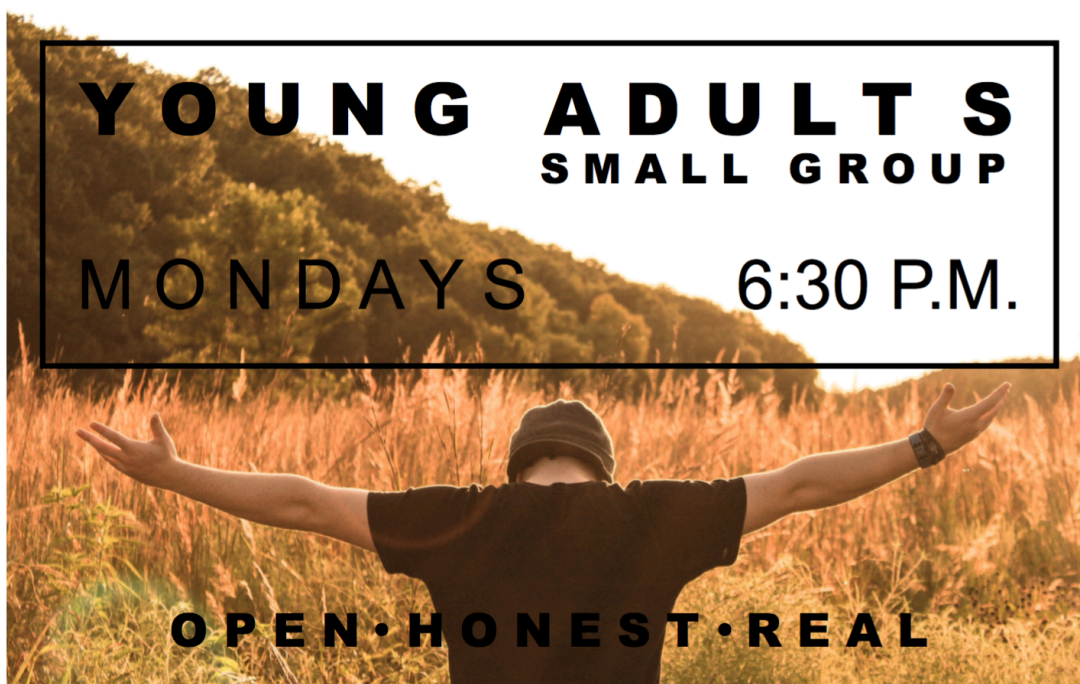

Good August Braddock!

This is a month of rest here at BBC. But we, as followers of Christ never rest from the Lord. It is Alyssa and my prayer that we all as a church will find fulfillment and purpose in the Lord during the month of August.

This month I will actually be traveling to South Africa to see family I haven't seen in years! Since they last saw me I graduated high school and college, got married, became a pastor, and became a citizen. So needless to say there will be a lot of catching up to do. Pray please for Alyssa and I as we also will be able to share our faith while on our trip.

Enjoy the month of August and I'll see you around!

The \$2.35 billion Woodrow Wilson Bridge Project was featured on the Discovery Channel's Extreme Engineering Series and was termed "the world's largest drawbridge." The Project has received over 70 major awards, including ASCE's Opal Award, and has been referred to as 'Washington DC's Newest Monument' which has successfully eliminated the worst traffic bottle neck on Interstate 95 between Maine and Florida.
